docmind sample document
A tiny hand-written PDF used to exercise /ingest and /ingest/preview.
Accented text survives WinAnsi: cafe -> éïüç±.
Page 2 and page 5 carry no text; page 6 is whitespace only. Page 3 is long enough to split.

Idempotency note
Re-ingesting this file must return status skipped because the sha256 is in samples/manifest.json.
Deleting that entry forces a real re-write.
